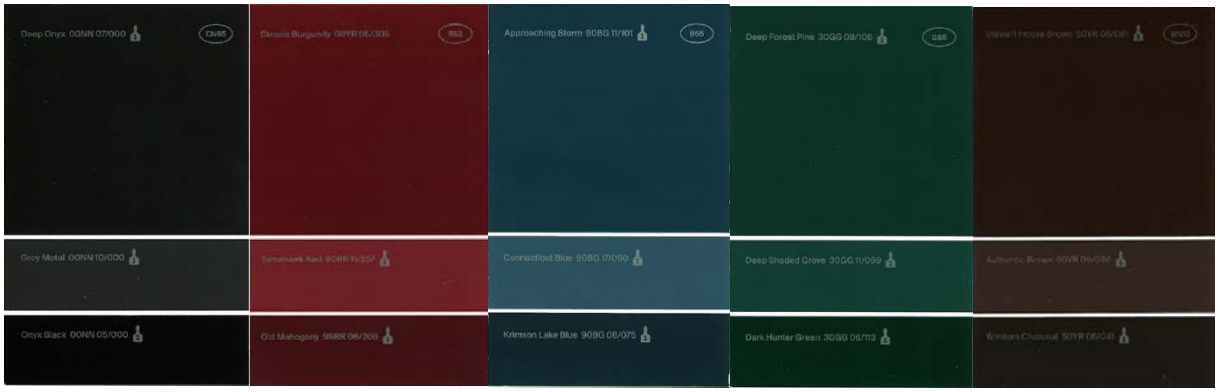
Pine Ridge POA – Shutters & Door

Shutters:

Below are the recommended colors for your shutters. These were selected from the Home Depot paint department. You can pick up your swatches from the store or contact management.

Black(CN65) Burgundy(R52) Navy(B65) Pine Green(G65) Brown(WN13)



In lieu of providing just a specific color, the board has approved (5) five color pallets.

You may choose a color from within any of the three colors on each of the (5) pallets.

If you wish to deviate from the fifteen (15) colors allotted;
You must submit an ACC request providing your house color and chosen shutter color.

Doors:

If you do not wish to match your front door to your shutters;
You may have it Black, White, or one of the other 2 colors within the color pallet selected for your shutters.

If you wish to deviate from these 4 options;
You must submit an ACC request providing your house, shutter and chosen door color.

Screen / Storm Doors:

Screen doors are allowed;
The frames are required to be Black, White or matching your shutters/door in color.
