

SCE&G is becoming Dominion Energy

**YES** ✓ I am interested in using natural gas for my home!

There has been a request for SCE&G to provide natural gas for your neighborhood. I have enclosed a survey for you to fill out to help us in determining your interest in using natural gas in your home. Before we can extend our natural gas lines, we need to know the appliances that will be used by each customer. To help us with this, please complete the enclosed survey and return it in the enclosed envelope.
