

Pine Ridge Property Owners Association

Approved Shutter & Door Color

Below are the approved colors for your shutters & doors. Color palette names and codes will change over time and will vary from store to store. It is because of those variations we are providing color samples based on standard color names, that will all fall into the ranges of **RED, BLUE, GREEN, BROWN, BLACK, GRAY**.

The use of pastels, primary or secondary colors not listed are not allowed.

Examples of colors not permitted: *yellow, purple, orange, pink, mint green, lilac, etc.*

Shutter & Door Replacement Colors

Colors shown are approximate & will appear different on different devices. Most paint retailers will be able to provide samples & mix paint based on one of the **color names** below.

- **Reds** Burgundy, Cranberry, Dark Red
- **Blues** Navy, Sapphire, Midnight Blue
- **Greens** Dark Pine Green, Forest Green, Dark Green
- **Browns** Chocolate, Coffee, Espresso
- **Blacks** Black, Charcoal
- **Grays** Dark Gray, Medium Gray

Burgundy	Cranberry	Dark Red
Dark Navy	Sapphire	Midnight Blue
Dark Pine Green	Forest Green	Dark Green
Chocolate	Coffee	Espresso
Black	Charcoal	
Dark Gray	Medium Gray

Doors, Screen / Storm Doors

If you do not wish to match your front door to your shutters you may have black, white, or a coordinating color within the color palette selected for your shutters.

Screen or storm doors are allowed. Acceptable colors are black, white, or a color within the color palette selected for your shutters.

If you wish to deviate from these 3 door color options you must submit an ACC request providing your house, shutter and chosen door color.
